MIAMI-DADE EMPLOYEES

Introduces a new employee service
American Transportation Marketing Group
Offers National Corporate Pricing
on 22 Brands* of Automobiles
and More Than 100 Participating Dealers

NOW BETTER THAN EVER! We are pleased to inform you that there are now 22 brands* to choose from and more than 100 participating dealers. As an employee of **Miami-Dade Employees** you are automatically eligible to enjoy the tremendous benefits of **National Corporate Pricing** (ordinarily offered only to volume fleet buyers), on the purchase or lease of your individual car. In addition to very competitive corporate prices, you can now choose from an expanded selection of the most popular **new car** brands and models...and you receive the benefits of all factory incentives for even greater savings!

This benefit is transferable, which means, as an employee of **Miami-Dade Employees**, you can make the PIN available to your family members as well.

HERE'S HOW IT WORKS:

- This is your exclusive **PIN: Miami00059**
- Use this PIN to log on to our "easy as can be" website at www.NationalCorporatePricing4U.com. If you prefer, call our Toll Free "hotline" **1-866-AUTO-ATM (288-6286)** and you will be led through the simple registration process that will identify you and the brand of vehicle you want to purchase or lease.
- With this information, a personalized certificate will be issued to you by e-mail, FAX, or US mail. This certificate will qualify you for the program.
- When you are ready to make your purchase, present your certificate to the dealer's program manager, whose name appears on the certificate. The program manager will work with you to choose the model automobile you want, at your special National Corporate price.

Nothing can be easier! It's **FREE**, Simple and Easy... This is a **BIG SAVINGS** for you and your family members on the purchase/lease of their next cars..
